

SAFE WATER TECHNOLOGIES, INC.

BRINGING INNOVATIVE WATER TREATMENT SOLUTIONS TO YOU!

CHICAGOLAND'S EXCLUSIVE OEM

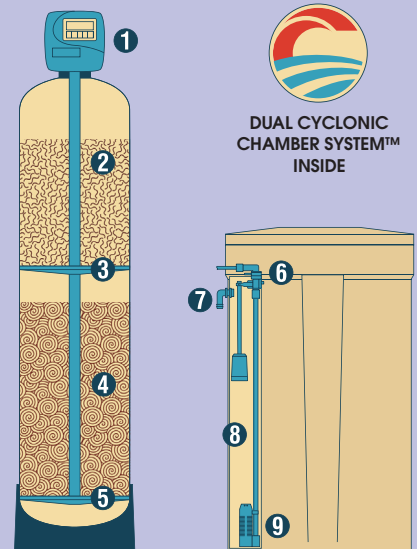

DUAL CHAMBER SYSTEMS

WATER SOFTENER & CARBON FILTER
WATER SOFTENER & TANNIN SYSTEM
WATER SOFTENER & NITRATE SYSTEM

Chicago's ONLY manufacturer of multi-chamber tank systems.

Featuring SWT's Cyclonic Distributor System™ (CDS)

- ★ Replaces the need for two tank systems
- ★ Saves on installation time and space
- ★ Increases resin capacity with lower pressure drop
- ★ Eliminates channeling to completely utilize both beds
- ★ Efficient demand controller reduces water and salt usage
- ★ Dual chamber design ensures bed separation
- ★ Large capacity brine tank easily holds 150 lb. of salt
- ★ 100% corrosion free system with NSF listed components
